About Us

Darakht Chhanv Foundation (DCF), based in Bharatpur, Rajasthan, is a non-profit organization committed to creating a positive impact through sustainable and inclusive development initiatives.

Aligned with the United Nations Sustainable Development Goals (SDGs), DCF, committed to addressing critical challenges in education, health, women's empowerment, and environmental sustainability. Through our grassroots efforts, we implement impactful projects aimed at fostering growth, empowerment, and eco-consciousness.

With a holistic and grassroots approach, we are driving transformational change in rural communities by addressing critical challenges and promoting self-reliance.

How We Work

Detailed Project Overview

At Darakht Chhanv Foundation (DCF), we believe in transforming communities through holistic, grassroots-driven approaches. Our work focuses on empowering women, educating children, and fostering environmental sustainability. By collaborating with local communities, government bodies, and stakeholders, we identify the most pressing challenges and design impactful, sustainable solutions.

The government school toilets renovation and constructions.

Menstrual awareness sessions with sanitary pads distribution.

Good touch Bad touch sessions in schools and communities.

Community's development awareness and access government schemes.

Promoting Self Help Groups, with Women empowerment and livelihood activities.

• Right to education campaign, school dropped out children back in to the school

• Child Protection activities with stakeholders.

• Homemade Diye on Diwali.

• Closely working with 35 Government school and Aanganwaadis for healthy clean water and sanitation supply. Two government schools benefited with good sanitation facilities yet.

• Supporting vocational training for 30 women through the Sashakti Masale initiative.

• Raising awareness on health, hygiene, and safety for more than 1,000 beneficiaries.

• Every kid should be in school, we are distributing all the essential need of study materials and sanitary pads.

At DCF, we believe in the power of unity and compassion. Every initiative is a step toward creating a world where hope thrives, dreams grow, and every individual has the opportunity to shine. As we say, "When we nurture the roots, the entire tree flourishes."

Overview

Early Childhood Development

1 Projects "SUPERSTAR"

At Darakht Chhanv Foundation (DCF), we understand the pivotal role that Anganwadi Centers (AWCs) play in the holistic development of young children and maternal health. These centers are not just spaces for early childhood education, but also crucial for nutrition, healthcare, and social support. However, at the grassroots level in Bharatpur, Rajasthan, many Anganwadis face challenges like inadequate infrastructure, limited resources, and lack of trained personnel, which hinder their full potential in shaping the future of our children.

That's where DCF steps in. We are dedicated to strengthening and supporting 35 Anganwadi Centers in Bharatpur through various initiatives, ensuring they are equipped to provide the care and attention children and mothers need.

- Infrastructure Enhancement
- Training & Capacity Building
- Health & Nutrition Programs
- Community Engagement

3 Health, Hygiene, and Well-Being (Aligned with SDG 3)

DCF works tirelessly to improve the health and hygiene of rural communities and 35 Government Schools.

- **Sanitation in Schools:** Building and maintaining clean toilet facilities to improve attendance and reduce health risks, with awareness of Menstrual Health With the project of “Proud to Bleed, Pad a Girl”.
- **Clean and Safe Toilets:** Construct and maintain gender-sensitive toilet facilities in government schools, ensuring privacy and hygiene for girls.
- **Anganwadi Development:** Enhancing facilities in anganwadis to provide young children with nutritious food, clean spaces, and early learning opportunities.
- **Health Awareness Campaigns:** Conducting sessions on hygiene, disease prevention, and nutrition for children and their families.

4 Women Empowerment with Sashakti Spices (Aligned with SDG 5: Gender Equality) Project “Aatmnirbhar”

DCF’s flagship project, Sashakti Spices, empowers women by creating sustainable livelihood opportunities and fostering entrepreneurship. Sashakti spices isn't just about flavour's; it's a movement. Each spice we create is a step towards empowering women and driving social change.

- **Skill Development:** Training women in spice production, packaging, and marketing to build economic independence.
- **Formation of Self-Help Groups (SHGs):** Strengthening community networks and encouraging collaboration.
- **Economic Opportunities:** Helping women access financial resources and markets, transforming them into self-reliant contributors to their families and communities

5 4. Environmental Sustainability (Aligned with SDG 13: Climate Action & SDG 15: Life on Land)

DCF is dedicated to fostering eco-consciousness and sustainable practices through:

- **Green Initiatives:** Organizing plantation drives in schools and community spaces to combat deforestation and promote biodiversity.
- **Plastic-Free Campaigns:** Educating communities on reducing plastic usage and adopting eco-friendly alternatives.
- **Energy Promotion:** Encouraging the use of sustainable and renewable energy sources within communities.

6 5. Vision for Eco-Village Development (Aligned with SDG 8: Decent Work and Economic Growth & SDG 11: Sustainable Cities and Communities)

Our long-term vision is to establish an Eco-Village System, a sustainable model for community development that emphasizes women's leadership and environmental conservation.

- **Livelihood Enhancement:** Creating opportunities for women in sustainable agriculture, handicrafts, and renewable energy.
- **Self-Sustaining Communities:** Integrating green practices, such as rainwater harvesting and organic farming, into village life.
- **Empowered Women Leaders:** Building an ecosystem where women actively participate in decision-making and lead community development initiatives.
